

Dear V G Shri Ramu,

I hope this email finds you well. I want to express my gratitude for the job offer extended to me for the UI ReactJS Developer at Capgemini. I'm excited about the opportunity to join your team and contribute to the company's success.

After careful consideration of the offer, I would like to discuss certain aspects in order to reach a mutually beneficial agreement. I appreciate the initial offer, however, based on my experience with 6 and ReactJS, I believe an adjustment to the base salary would be appropriate. I would like to propose a counteroffer of 17LPA, which falls within the average salary range for this position in TN.

I want to emphasize my strong interest in the job and my genuine excitement about the opportunity to work with the talented team at Capgemini, and I'm open to negotiating.

Thank you again for your time and consideration. Please let me know if there's a suitable time for us to connect and discuss this further.

Sincerely,
Deva S
